Notwithstanding anything in this Section of this Lease to the contrary, so long as Tenant is not in Material Default (as defined in Section 18) under this Lease, Tenant shall be entitled to an abatement of the entire Base Rent due for the Premises initially described in this Lease during the 1st full calendar month of the Term (as defined in Section 1.06) (the "Rent Abatement Period "). The total amount of Base Rent abated during the Rent Abatement Period shall be referred to as the " Abated Base Rent ". If Tenant Defaults (as defined in Section 18) at any time during the Term and such Default results in termination of this Lease, all Abated Base Rent shall immediately become due and payable. The payment by Tenant of the Abated Base Rent in the event of such Default shall not limit or affect any of Landlord's other rights, pursuant to this Lease or at law or in equity. During the Rent Abatement Period, only Base Rent with respect to the Premises

Notwithstanding the foregoing, Landlord?s failure to deliver possession of the Premises to Tenant by such date for reasons outside Landlord?s reasonable control, including, without limitation, the holding over in possession of the Premises or any portion thereof by the current occupant thereof, shall not affect the enforceability of this Lease, or subject Landlord to any liability to Tenant for damage or be deemed a default by Landlord of its obligations under the Lease.

Base Rent and recurring monthly charges of Additional Rent shall be due and payable in advance on the first day of each calendar month without notice or demand, provided that the installment of Base Rent for the first full calendar month of the Term following the Rent Abatement Period, and the first monthly installment of Expense Rent and Tax Rent, shall be payable upon the execution of this Lease by Tenant. All other items of Rent shall be due and payable by Tenant on or before 30 days after billing by Landlord. All payments of Rent shall be made by electronic money transfer in accordance with Landlord's written instructions regarding the same or by such other means or method of payment as Landlord may direct in writing. Unless otherwise notified in writing by Landlord, all payments of Rent shall be made by ACH transfer to Landlord in accordance with the following: Bank: Citizens Bank, Bank Address: 1 Citizens Drive, Riverside, RI 02915, Account Name: Equity Commonwealth, ABA Routing #: 211070175, Account #: 1324602233, Reference: 605330. If Tenant does not pay any Rent when due hereunder, Tenant shall pay Landlord an administration fee in the amount of 5% of the past due Rent, provided that Tenant shall be entitled to a grace period of up to 5 days after delivery of notice from Landlord for the first 2 late payments of Rent in a calendar year. In addition, past due Rent shall accrue interest at a rate (the "Interest Rate") per annum equal to the lesser of (i) 12% per annum and (ii) 4 percentage points above the rate of interest then most recently publicly announced by a federally insured bank

selected by Landlord as its "prime rate" or "base rate" (the "Prime Rate") until paid in full, including after the entry of any judgment. If accrual or payment of interest at the Interest Rate should be unlawful, then the Interest Rate shall be the maximum legal rate. Tenant shall pay Landlord a reasonable fee for any checks returned by Tenant's bank for any reason. Landlord's acceptance of less than the correct amount of Rent shall be considered a payment on account of the oldest obligation due from Tenant hereunder, then to any current Rent then due hereunder, notwithstanding any statement to the contrary contained on or accompanying any such payment from Tenant and acceptance of any such partial payment shall not be deemed a waiver of Landlord's right to the full amount due. Rent for any partial month during the Term shall be prorated based on the number of days in such month. No endorsement or statement on a check or letter accompanying payment shall be considered an accord and satisfaction. Tenant's covenant to pay Rent is independent of every other covenant in this Lease.

per rentable square foot of the Premises has a material effect on Landlord's ability to provide the HVAC, electrical, elevator and other services set forth in this Lease. If any upgrade to the Building standard systems, including but not limited to the Building's mechanical and electrical systems and restroom fixtures, is necessary by reason of Tenant's failure to comply with such occupancy density requirements, as reasonably determined by Landlord, to accommodate Tenant's needs, and Tenant fails to cure such failure within ten (10) days after notice from Landlord, Tenant will reimburse Landlord promptly upon Landlord's demand for all costs incurred by Landlord in connection with such upgrade. Tenant shall comply (and cause the Tenant Related Parties and their respective contractors and vendors to comply) with the rules and regulations of the Building attached as Exhibit E and such other reasonable rules and regulations adopted by Landlord from time to time, including rules and regulations for the performance of Alterations (defined in Section 9.03).

6. Security

to use the same subject to availability and provided Tenant complies with Landlord's scheduling requirements, if any (including, without limitation, minimum hours of usage after Building Service Hours and required usage after Building Service Hours if Tenant's use will be construction related or otherwise lengthy or disruptive to Building operations), and, if Tenant uses such freight elevator or loading dock after Building Service Hours, then, with respect to any such use following substantial completion of the Initial Alterations, Tenant shall pay Landlord's standard charge for such use; (e) electricity in accordance with the terms and conditions in Section 7.02; (f) access to the Building for Tenant and its employees 24 hours per day/7 days per week, subject to the terms of this Lease and such protective services or monitoring systems, if any, as Landlord may reasonably impose, including, without limitation, sign-in procedures and/or use of card keys; and (g) such other services as Landlord reasonably determines are necessary or appropriate for the Property. Tenant shall participate in any recycling programs adopted by Landlord. Tenant shall (i) obtain, at Tenant's sole cost, any services that are required for Tenant to operate its business in the Premises and that are not Landlord's express responsibility under this Lease and (ii) pay, prior to delinquency, for all such services, and if Tenant fails to timely do so, Landlord may, at its option (and without any obligation to investigate the validity of the amounts due), do so and Tenant shall reimburse Landlord therefor (plus interest at the Interest Rate until paid, including after the entry of any judgment)

upon demand. Landlord shall have the right to designate the service provider for any such services. If Landlord, at Tenant's request, elects to provide any services which are not Landlord's express obligation under this Lease, including, without limitation, any repairs which are Tenant's responsibility pursuant to Section 9 below, Tenant shall pay Landlord, or such other party designated by Landlord, the cost of providing such service plus, to the extent not prohibited by applicable Laws, a reasonable administrative charge.

7.02. Subject to the terms and conditions set forth in the Premises Schedule, Landlord shall be responsible for the cost of all utilities (except as otherwise provided herein) by separate meter or otherwise, including but not limited to Landlord, Tenant, or any other party designated by Landlord, for the purposes of this Lease, the cost of all utilities for the usable floor area of the Premises, which is approximately 480/277 square feet, and operation and maintenance of the Premises, as understood by the parties, shall be allocated from the water and sewerage, electrical, gas, and telephone services. Landlord, by this Lease, agrees to pay the cost of such utilities for the usage of electricity, gas, and water, including requiring Tenant to pay for the cost of allocating the cost of such utilities to the Premises and the cost of such utility services (based on the actual usage of such utilities, methodology, and quantities of such utilities) per-rentable square foot of the Building, Tenant shall be responsible for the reasonable cost of purchasing such utilities.

electricity and water to be paid by Tenant shall include all federal, state and local taxes imposed upon or payable in connection with utility services.

7.03. Landlord shall be responsible for the application of all laws, regulations, and codes, including alterations, additions, and repairs, and other causes of damage to the Premises, or eviction of Tenant, or agreement to lease, or damage to the Premises, or failure of a utility service, or telecommunication service, or Business Interruption Insurance (provided that such damages are not caused by the negligence of Landlord).

The size, configuration, design, location, materials, color and construction of the Façade Sign, as well as the way in which it is attached to the Building, shall be subject to Landlord's reasonable written approval and the approval of applicable governmental authorities. The Façade Sign shall be professionally fabricated. The content of the Façade Sign shall be limited to Tenant's name and/or trade name or business logo, and shall be subject to Landlord's prior written approval. Tenant shall obtain all required governmental approvals to install and maintain the Façade Sign. Tenant shall maintain Façade Sign in first class condition and in compliance with all applicable laws, at Tenant's sole cost and expense. Alterations shall comply with applicable Laws and shall be constructed in a good and workmanlike manner, using materials of a quality reasonably approved by Landlord, and Tenant shall ensure that no Alteration impairs any of the Common Systems or Landlord's ability to perform its obligations hereunder. Tenant shall comply (and shall cause the Tenant Related Parties and their respective contractors and vendors to comply) with Landlord's reasonable rules, regulations and procedures for the performance of work in the Building and, to the extent reasonably necessary to avoid disruption to the occupants of the Building, Landlord shall have the right to designate the time when Alterations may be performed. Tenant shall not take any action which would cause a work stoppage, picketing, labor disruption or dispute, or interfere with Landlord's or any other tenant's or occupant's business or with the rights and privileges of any person lawfully in the Building. Further, Tenant agrees that the installation, operation or modification of any Data Systems (as previously defined in Section 7.03) installed by or for the benefit of Tenant (? Tenant's Data Systems ?) shall not interfere with the operation, or cause a loss of quality, of any other Data Systems that are installed in or at the Building prior to the installation, or, if applicable, the modification, of such portions of Tenant's Data Systems that are causing such interference or

loss of quality, and if any such interference or loss of quality described in this sentence occurs, Tenant shall eliminate the cause thereof at Tenant's expense. Tenant shall reimburse Landlord for any sums paid by Landlord for third party examination of Tenant's plans for non-Cosmetic Alterations. In addition, Tenant shall pay Landlord a fee for Landlord's oversight and coordination of any non-Cosmetic Alterations equal to 3% of the cost of the non-Cosmetic Alterations. Upon completion, Tenant shall furnish "as-built" plans (in CAD format, if requested by Landlord) for non-Cosmetic Alterations, completion affidavits and full and final waivers of lien. Neither Landlord's approval of an Alteration or the plans therefor nor Landlord's coordination or oversight of an Alteration shall be deemed a representation by Landlord that the Alteration complies with applicable Laws or is structurally sound or adequate for its intended purpose.

Landlord hereby agrees to indemnify, defend and hold Tenant and the Tenant Related Parties harmless from and against any and all Claims for property damage, personal injury or any other matter arising, claimed, charged or incurred against or by Tenant or any of the Tenant Related Parties in connection with or relating to any event, condition, matter or thing which occurs in, at or about the Property to the extent due to the negligence or willful misconduct of Landlord or any of the Landlord Related Parties. Notwithstanding anything to the contrary contained herein, Tenant hereby

waives all claims against and releases Landlord and the Landlord Related Parties from all claims for any injury to or death of persons, damage to property or business loss in any manner related to (i) Force Majeure, (ii) acts of third parties, (iii) the bursting or leaking of any tank, water closet, drain or other pipe, (iv) the inadequacy or failure of any security or protective services, personnel or equipment, (v) the breach or failure of any Data Systems, or (vi) any other cause except the negligence or intentional misconduct of Landlord or any of the Landlord Related Parties.

evidencing Tenant's Insurance prior to the earlier to occur of the Commencement Date or the date Tenant is provided with possession of the Premises, and thereafter as necessary to assure that Landlord always has current certificates evidencing Tenant's Insurance. Tenant's insurance shall be primary and any insurance carried by the Additional Insureds shall be excess and non-contributory. Required limits may be provided by a combination of primary and/or excess or umbrella policies provided that all other terms and conditions of this Section are complied with. Tenant's Insurance may provide for commercially reasonable deductibles, but Tenant shall not have any self-insured retention or self-insure for the coverages required under this Lease. Except as specifically provided to the contrary, the limits of Tenant's Insurance shall not limit its liability under this Lease. In the event Tenant's occupancy or operation causes any increase of premiums for the property coverage and/or casualty rates on the Premises or Building or any part thereof or causes any increase in the premiums for any other insurance policy that may be carried by Landlord above the rate for the least hazardous type of occupancy legally permitted in the Premises, Tenant shall pay the additional premium with respect to such insurance policies by reason thereof within 10 days following the billing thereof as additional rent. So long as the same is available at commercially reasonable rates, Landlord shall maintain so called All Risk property insurance on the Building at replacement cost value as reasonably estimated by Landlord, together with such other insurance coverage as

Landlord, in its reasonable judgment, may elect to maintain. Landlord may self-insure for the insurance coverage required to be maintained by Landlord hereunder.

Monetary Default ?); (b) Tenant?s failure (other than a Monetary Default) to comply with any term, provision, condition or covenant of this Lease, if the failure is not cured within 30 days after written notice to Tenant provided, however, (i) if Tenant?s failure to comply cannot reasonably be cured within 30 days, Tenant shall be allowed additional time (not to exceed 90 days) as is reasonably necessary to cure the failure so long as Tenant begins the cure within 15 days and diligently pursues the cure to completion and (ii) if Tenant?s failure to comply creates a hazardous condition, the failure must be cured immediately upon written notice to Tenant; (c) Tenant permits a Transfer without Landlord?s required approval or otherwise in violation of Section 11 of this Lease; (d) Tenant or any Guarantor becomes insolvent, makes a transfer in fraud of creditors, makes an assignment for the benefit of creditors, admits in writing its inability to pay its debts when due or forfeits or loses its right to conduct business; (e) the leasehold estate is taken by process or operation of Law; (f) in the case of any ground floor or retail Tenant, Tenant does not take possession of or abandons or vacates all or any portion of the Premises; or (g) Tenant is in default beyond any notice and cure period under any other lease or agreement with Landlord at the Building or Property. All notices sent under this Section shall be in satisfaction of, and not in addition to, notice required by Law. As used in this Lease, the term " Material Default " shall mean (i) any Default

by Tenant as provided in Section 18(a), Section 18(b)(ii), Section 18(c), Section 18(d) or Section 18(e), or (ii) any Default by Tenant as provided in Section 18(b)(i) the circumstances of which either (1) involve imminent harm to persons or material damage to property, (2) increase Landlord's cost to operate the Building as a first class office building or to provide services to other tenants of the Building, (3) create a nuisance to tenants of the Building, or (4) cause a violation of law for which Landlord is liable.

19. Remed

collection of damages pursuant hereto to a credit in respect of any net rents from a re-letting. Landlord shall not be responsible or liable for the failure to relet all or any part of the Premises or for the failure to collect any Rent. Tenant agrees that should it or any of the Tenant Related Parties know of (a) any violation of Environmental Laws relating to the Premises, or (b) the escape, release or threatened release of any Hazardous Materials in, at or about the Premises, Tenant shall promptly notify Landlord in writing of such violation, escape, release or threatened release, and Tenant shall provide all warnings of exposure to Hazardous Materials in, at or about the Premises in strict compliance with all applicable Environmental Laws. Tenant shall at no time use, analyze, generate, manufacture, produce, transport, store, treat, release, dispose of or permit the escape of, or otherwise deposit in, at or about the Premises or the Property, any Hazardous Materials, or permit or allow any of the Tenant Related Parties or their respective contractors or vendors to do so. If Tenant or any of the Tenant Related Parties or their respective contractors or vendors violates the provisions of this Section 26.10, in addition to Landlord's other rights and remedies in the case of such default, Tenant shall be responsible, at its sole cost, for the removal and disposal, in compliance with Environmental Laws, of any Hazardous Materials present at or emanating from the Property as a result of such violation and for the repair and restoration of any damage to the Property caused thereby (or, at Landlord's option, Landlord may perform such work, at Tenant's sole cost). As used in this Lease, the term "Environmental Laws" shall mean any and all federal, state and local laws, regulations, ordinances, codes and policies, and any and all judicial or administrative interpretations thereof by governmental authorities, as now in effect or hereinafter amended or enacted, relating to (i) pollution or protection of the environment, natural resources or health and safety; including, without limitation, those regulating, relating to, or imposing liability for emissions, discharges, releases or threatened releases of Hazardous Materials into the environment, or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, release, transport or handling of Hazardous Materials; and (ii) the use of chemical, electrical, radiological or nuclear processes, radiation, sophisticated electrical and/or mechanical equipment, sonar and sound equipment, lasers, and laboratory analysis and materials, and the term "Hazardous Materials" shall mean any and all substances, chemicals, wastes, sewage or other materials that are now or hereafter regulated, controlled or prohibited by any

Environmental Laws, including, without limitation, any (1) substance defined as a "hazardous substance", "extremely hazardous substance", "hazardous material", "hazardous chemical", "hazardous waste", "toxic substance" or "air pollutant" by the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. Section 5101, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 7401, et seq.; the Emergency Planning and Community Right-to-Know Act, 42 U.S.C. Section 11001, et seq.; the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq.; the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq.; or the Occupational Safety and Health Standards, 25 C.F.R. 1910-1000 et seq., or regulations promulgated thereunder, all as amended to date and as amended hereafter; (2) hazardous substance, hazardous waste, toxic substance, toxic waste or hazardous material, waste, chemical or compound described in any other Environmental Laws; and (3) asbestos, polychlorinated biphenyls, urea formaldehyde insulation, flammable or explosive or radioactive materials, gasoline, oil, motor oil, waste oil, petroleum (including, without limitation, crude oil or any component thereof), petroleum-based products, paints, solvents, lead, cyanide, DDT, printing inks, acids, pesticides, ammonium compounds, and other regulated chemical products. To the actual knowledge of Mike Nootens (Landlord's employee whose responsibilities include the management of environmental matters related to the Building), Landlord has not received any written notice from any governmental entity that the Property or the Building is currently in breach of any Environmental Laws. If Landlord receives written notice of the presence of Hazardous Materials in the Building in violation of Environmental Laws which were not brought into the Building by Tenant, by any Tenant Related Party or by any contractor or invitee of Tenant or any Tenant Related Party, Landlord shall remediate such Hazardous Materials to the extent required by applicable Environmental Laws. The cost of such remediation shall not be included in Operating Expenses except to the extent such costs are incurred in the ordinary course of operating the Building, such as costs to dispose of batteries, electronics, paint, ballasts, lamps, diesel fuel and similar materials.

As long as an adjustment does not increase the monetary obligations of Tenant, and in order to protect Landlord and its beneficial owners from an adverse tax event under the REIT regulations, Landlord may require that the rent or fees (or a portion thereof) payable under this Lease be decreased or paid directly to an affiliate of Landlord, and Tenant shall, without charge and within 10 days after Landlord's written request, execute and deliver to Landlord such amendments to this Lease, or such other documents, as may be reasonably required by Landlord to avoid the adverse tax event in the manner described above.

EXPENSE

1.01. Tenant shall pay Tenant's Pro Rata Share of Expenses (as defined in Section 2 below) (the "Expense Rent") for each calendar year during the Term and Tenant's Pro Rata Share of Taxes (as defined in Section 2 below) (the "Tax Rent") for each Fiscal Year during the Term. Landlord shall provide Tenant with a good faith estimate of the Expense Rent for each calendar year and of the Tax Rent for each Fiscal Year during the Term.

On or before the first day of each month, Tenant shall pay to Landlord a monthly installment equal to 1/12th of Landlord's estimate of both the Expense Rent and the Tax Rent. If Landlord determines that its good faith estimate was incorrect by a material amount, Landlord may provide Tenant with a revised estimate and bill Tenant for any deficiency which may have accrued. After its receipt of the revised estimate, Tenant's monthly payments shall be based upon the revised estimate. If Landlord does not provide Tenant with an estimate of the Expense Rent by January 1 of a calendar year or of the Tax Rent by the first day of a Fiscal Year, Tenant shall continue to pay monthly installments based on the previous year's estimate(s) until Landlord provides Tenant with the new estimate. Upon delivery of the new estimate, an adjustment shall be made for any month for which Tenant paid monthly installments based on the previous year's estimate. Tenant shall pay Landlord the amount of any underpayment within 30 days after receipt of the new estimate. Any overpayment shall be refunded to Tenant within 30 days or credited against the next due future installment(s) of Additional Rent.

1.02. As soon as is practical following the end of each calendar year or Fiscal Year, as the case may be, Landlord shall furnish Tenant with a statement of the actual Expenses and Expense Rent for such calendar year or the actual Taxes and Tax Rent for such Fiscal Year, as applicable (? Landlord's Statement ?). If the estimated Expense Rent or estimated Tax Rent is more than the actual Expense Rent or actual Tax Rent for the applicable calendar year or Fiscal Year, as applicable, Landlord shall either provide Tenant with a refund or apply any overpayment by Tenant against Additional Rent due or next becoming due, provided if the Term expires before the determination of the overpayment, Landlord shall refund any overpayment to Tenant after first deducting the amount of Rent due. If the estimated Expense Rent or estimated Tax Rent is less than the actual Expense Rent or actual Tax Rent for the applicable calendar year or Fiscal Year, as applicable, Tenant shall pay Landlord, within 30 days after its receipt of Landlord's Statement, any underpayment for the prior calendar year.

2. Expenses .

2.01. ? Expenses ? shall mean all costs and expenses incurred in each calendar year in connection with operating, equipping, maintaining, repairing, managing and making replacements to the Building and the Property (including, without limitation, all systems, structures, structural elements, personal property and Common Areas related thereto), including, but not limited to:

(i) Labor costs, including, wages, salaries, social security and employment taxes, medical and other types of insurance, uniforms, training, and retirement and pension plans and other employee benefits.

(iii) The cost of and/or supervision of Landlord's and major

2.02. Expenses shall not include: (a) the cost of capital improvements (except as set forth above); (b) depreciation; (c) principal payments of mortgage and other non-operating debts of Landlord; (d) the cost of repairs or other work to the extent Landlord is reimbursed by insurance or condemnation proceeds; (e) costs in connection with leasing space in the Building; (f) lease concessions, rental abatements and construction

allowances granted to specific tenants; (g) costs incurred in connection with the sale, financing or refinancing of the Building; (h) fines, interest and penalties incurred due to the late payment of Taxes or Expenses by Landlord; (i) organizational expenses associated with the creation and operation of the entity which constitutes Landlord; (j) any penalties or damages that Landlord pays to Tenant under the Lease or to other tenants in the Building under their respective leases (k) real estate brokers' leasing commissions; (l) costs of other services or work performed for the singular benefit of another tenant or occupant (other than for Common Areas of the Building) and either not available to Tenant or provided to Tenant only for an additional fee (in addition to its payment of a share of Expenses under this Exhibit); (m) Taxes and any inheritance, estate, succession, transfer, gift, franchise, corporation, income, gains or profit tax or capital levy and other taxes excluded from the definition of Taxes; (n) rental under any ground lease; (o) reserves of any kind; and (p) political contributions or contributions to charities.

2.03. If at any time during a calendar year the Building is less than 95% occupied or Landlord is not supplying services to at least 95% of the total Rentable Square Footage of the Building, Expenses shall, at Landlord's option, be determined as if the Building had been 95% occupied and Landlord had been supplying services to 95% of the Rentable Square Footage of the Building during that calendar year.

2.04. "Taxes" shall mean: (a) all real property taxes and other assessments on or allocable or attributable to the Building and/or Property, including, but not limited to, gross receipts taxes, assessments for special improvement districts and building improvement districts, governmental charges and fees and assessments for police, fire, traffic mitigation or other governmental service of purported benefit to the Property; (b) all personal property taxes for property that is owned by Landlord and used in connection with the operation, maintenance and repair of the Property; (c) all impositions (whether or not such impositions constitute tax receipts to governmental agencies) in substitution, partially or totally, of any impositions now or previously included within the definition of Taxes, including, without limitation, those imposed or required by governmental agencies to increase tax increments to governmental agencies and (d) all costs and fees incurred in connection with seeking reductions in any tax liabilities described in (a), (b) and (c) above, including, without limitation, any costs incurred by Landlord for compliance, review and appeal of tax liabilities. Taxes shall not include any income, capital levy, transfer, capital stock, gift, estate or inheritance tax or any taxes for which any tenant of the Property is directly responsible to taxing authorities or any fines, interest and penalties incurred due to the late payment of Taxes. If a reduction in Taxes is obtained for any year of the Term with respect to which Tenant paid Tax Rent, then Taxes for that year will be retroactively adjusted and

EXHIBIT B

3

Landlord shall provide Tenant with a credit, if any, based on the adjustment, provided that if a reduction in Taxes pertains to a particular tenant (such as, for example, if a particular tenant is tax exempt), Tenant shall not be entitled to any portion of such reduction and for purposes of determining Tenant's Pro Rata Share of Taxes, such reduction shall be disregarded.

If Landlord is permitted to pay a Tax assessment in installments, and Landlord elects to do so, Taxes for the year shall include the amount of the installment and any interest due and payable during that year. For all other taxes, Taxes for a given year shall, at Landlord's election, include either the amount accrued, assessed or otherwise imposed for the applicable year or the amount due and payable for such year, provided that Landlord's election shall be applied consistently throughout the Term. Notwithstanding anything to the contrary contained herein, if the Property or any portion thereof is not separately assessed or if any portion of the Beneficial Common Areas serves or benefits another building or property in addition to the Building or Property, in order to determine the amount of the Taxes allocable or attributable to the Property for the applicable period, Landlord shall make a reasonable allocation of the Taxes for the tax parcels containing the applicable portion of the Property or such

Beneficial Common Area (as applicable) between the Property and the other building[s] or property[ies] involved, which allocation may, at Landlord's option, take into account (among other things), the differential tax rates applicable to the different uses in the Property or such other buildings or properties, provided that if any such Tax is paid pursuant to a reciprocal easement agreement, common area agreement or similar agreement, any allocation shall be made in accordance with such agreement to the extent such allocation is addressed by such agreement.

2.05. Notwithstanding anything to the contrary contained herein, for purposes only of calculating Expenses and Taxes for purposes of the Lease, the Common Areas may include, at Landlord's election, areas which are not part of the Property, but which serve or otherwise benefit the Property, and are maintained in whole or in part by Landlord or an affiliate of Landlord (or by another party to whom Landlord is obligated to pay all or any portion of the cost thereof) (" Beneficial Common Areas ").

2.06. Notwithstanding the foregoing, for purposes of computing Tenant's Pro Rata Share of Expenses, commencing with the calendar year following the first full calendar year of the Term, Controllable Expenses (hereinafter defined) shall not increase by more than five percent (5%) each calendar year, on a cumulative, compounded basis, over the course of the Term. " Controllable Expenses " shall mean all Expenses exclusive of (i) the cost of insurance, taxes, utilities, snow removal, (ii) the annual amortized capital costs incurred by Landlord to comply with laws that were not applicable to the Building as of the Commencement Date or incurred by Landlord primarily for the purpose of reducing operating expenses or otherwise improving the operating efficiency of the Property or Building, (iii) costs incurred by Landlord in connection with increased levels or additional types of services at the Property or Building, and (iv) any other costs incurred by Landlord for reasons outside Landlord's reasonable control (e.g., costs incurred as a result of increases in union wages or non-capital costs incurred in complying with governmental laws and regulations).

3. Audit Rights .

3.01. Within 60 days after receiving Landlord's Statement of Expenses (each such period is referred to as the " Review Notice Period "), Tenant may give Landlord written notice (" Review Notice ") that Tenant intends to review Landlord's records of the Expenses for the calendar year to which the statement applies, and within 60 days after sending the Review Notice to Landlord (such period is referred to as the " Request for Information Period "), Tenant shall send Landlord a written request identifying, with a reasonable degree of specificity, the information that Tenant desires to review (the " Request for Information "). Within a reasonable time after Landlord's receipt of a timely Request for Information and executed Audit Confidentiality Agreement (referenced below), Landlord, as determined by Landlord, shall forward to Tenant, or make all pertinent records available for inspection on site at such location deemed reasonably appropriate by Landlord, such records (or copies thereof) for the applicable calendar year that are reasonably necessary for Tenant to conduct its review of the information appropriately

EXHIBIT B

identified in the Request for Information. Within 60 days after any particular records are made available to Tenant (such period is referred to as the " Objection Period "), Tenant shall have the right to give Landlord written notice (an " Objection Notice ") stating in reasonable detail any objection to Landlord's Statement of Expenses for that year which relates to the records that have been made available to Tenant. If Tenant provides Landlord with a timely Objection Notice, Landlord and Tenant shall work together in good faith to resolve any issues raised in Tenant's Objection Notice. If Landlord and Tenant determine that Expenses for the calendar year are less than reported, Landlord shall provide Tenant with a credit against the next installment of Rent in the amount of the

overpayment by Tenant. Likewise, if Landlord and Tenant determine that Expenses for the calendar year are greater than reported, Tenant shall pay Landlord the amount of any underpayment within 30 days. If Tenant fails to give Landlord an Objection Notice with respect to any records that have been made available to Tenant prior to expiration of the Objection Period applicable to the records which have been provided to Tenant, Tenant shall be deemed to have approved Landlord's Statement of Expenses with respect to the matters reflected in such records and shall be barred from raising any claims regarding the Expenses relating to such records for that year. If Tenant fails to provide Landlord with a Review Notice prior to expiration of the Review Notice Period or fails to provide Landlord with a Request for Information prior to expiration of the Request for Information Period described above, Tenant shall be deemed to have approved Landlord's Statement of Expenses and shall be barred from raising any claims regarding the Expenses for that year. If Tenant provides Landlord with a timely Review Notice and Request for Information and Objection Notice, Tenant shall be barred from raising any issues with respect to the applicable statement of Expenses or the Expenses for the applicable year that are not covered by such Objection Notice.

If Tenant retains an agent to review Landlord's records, the agent must be with a CPA firm licensed to do business in the state or commonwealth where the Property is located, and the fees charged cannot be based in whole or in part on a contingency basis. Tenant shall be solely responsible for all costs, expenses and fees incurred for the audit; provided, if it is ultimately determined that the amount paid by Tenant as Tenant's Pro Rata Share of Expenses and Tenant's Pro Rata Share of Taxes, in the aggregate, exceeds the actual Tenant's Pro Rata Share of Expenses and Tenant's Pro Rata Share of Taxes, in the aggregate (an "Overpayment"), by more than five percent (5%), then Landlord shall pay the reasonable, actual out of pocket costs incurred by Tenant in connection with such audit not to exceed the lesser of (a) \$3,000.00, and (b) the amount of the Overpayment. The records and related information obtained by Tenant shall be treated as confidential, and applicable only to the Building, by Tenant and its auditors, consultants and other parties reviewing such records on behalf of Tenant (collectively, "Tenant's Auditors"), and, prior to making any records available to Tenant or Tenant's Auditors, Landlord may require Tenant and Tenant's Auditors to each execute a reasonable confidentiality agreement ("Audit Confidentiality Agreement") in accordance with the foregoing. In no event shall Tenant be permitted to examine Landlord's records or to dispute any statement of Expenses unless Tenant has paid and continues to pay all Rent when due (including any disputed amounts). In no event will Tenant be permitted to conduct an audit during any period when Tenant is in Monetary Default.

3.02. Notwithstanding anything to the contrary contained in this Lease, Tenant's failure to object to any statement, invoice or billing rendered by Landlord (other than Landlord's Statement of Expenses, which shall be governed by the provisions of Section 3.01 above) within a period of 120 days after receipt of the same shall constitute Tenant's unconditional acquiescence with respect thereto and Tenant shall be deemed to have waived its right, if any, to challenge or object to such statement. Any objection by Tenant must (a) be in writing (the "Billing Objection Notice"), (b) be delivered to Landlord within the aforementioned 120 day period and (c) reference the statement, invoice or billing in dispute, include the amount that is in dispute and the specific reason for such objection. If Tenant's Billing Objection Notice fails to meet the aforementioned requirements, such failure will render Tenant's objection null and void. Landlord and Tenant intend that the foregoing provision sets forth Tenant's sole right to object to any statement, invoice or billing rendered by Landlord and shall supersede any right of Tenant to audit or request back up documentation from Landlord which may otherwise be provided at Law,

EXHIBIT B

in equity or by this Lease (other than Landlord's Statement of Expenses, which shall be governed by the provisions of Section 3.01 above). If Tenant provides Landlord with a Billing Objection Notice that meets the requirements set forth in this Section 3.02, Tenant shall be barred from raising any issues with respect to the

applicable statement, invoice or billing referenced in Tenant's Billing Objection Notice that are not raised by Tenant in such Billing Objection Notice. Landlord and Tenant shall work together in good faith to resolve any issues raised in Tenant's Billing Objection Notice. If upon resolution of the issues raised by Tenant's Billing Objection Notice it is determined that there have been any overpayments or underpayments by Tenant, such overpayments and underpayments shall be handled in the same manner as overpayments or underpayments of Expenses are handled under Section 3.01 of this Exhibit B .

4. Personal Property Taxes .

Tenant shall pay prior to delinquency all taxes, if any, assessed against or levied upon its occupancy of the Premises or upon the fixtures, furnishings, equipment and all other personal property of Tenant located in the Premises and when possible Tenant shall cause said fixtures, furnishings, equipment and other personal property to be assessed and billed separately from the property of Landlord. In the event any or all of Tenant's fixtures, furnishings, equipment or other personal property or its occupancy of the Premises shall be assessed and taxed with the property of Landlord, Tenant shall pay to Landlord its share of such taxes within 20 days after delivery to Tenant by Landlord of a statement in writing setting forth the amount of such taxes applicable to Tenant's fixtures, furnishings, equipment, personal property or occupancy.

WORK LETTER

As used in this Work Letter, the " Premises " shall be deemed to mean the Premises, as initially defined in the Lease.

1. Tenant, following the delivery of the Premises by Landlord and the full and final execution and delivery of the Lease to which this Exhibit is attached and all prepaid rental and security deposits required under such agreement, shall have the right to perform alterations and improvements in the Premises (the " Initial Alterations "). Notwithstanding the foregoing, Tenant and its contractors shall not have the right to perform Initial Alterations in the Premises unless and until Tenant has complied with all of the terms and conditions of Section 9 of the Lease, including, without limitation, approval by Landlord of the final plans for the Initial Alterations and the contractors (both general contractors and subcontractors) to be retained by Tenant to perform such Initial Alterations. Tenant shall be responsible for all elements of the design of Tenant's plans (including, without limitation, compliance with law, functionality of design, the structural integrity of the design, the configuration of the premises and the placement of Tenant's furniture, appliances and equipment), and Landlord's approval of Tenant's plans shall in no event relieve Tenant of the responsibility for such design. Landlord's approval of Tenant's plans for the Initial Alterations shall not be unreasonably withheld. Landlord shall review Tenant's plans within 15 Business Days after Tenant's delivery of such plans (in PDF, CAD and hard copy formats) to Landlord's Building manager. Unless otherwise expressly agreed to by Landlord in writing, Tenant's plans shall be consistent with the Building's standards for leasehold improvements. Landlord's approval of the contractors to perform the Initial Alterations shall not be unreasonably withheld, conditioned or delayed. The parties agree that Landlord's approval of the general contractor to perform the Initial Alterations shall not be considered to be

unreasonably withheld if any such general contractor (i) does not have trade references reasonably acceptable to Landlord, (ii) does not maintain insurance as required pursuant to the terms of this Lease, or (iii) is not licensed as a contractor in the state/municipality in which the Premises is located. Tenant acknowledges the foregoing is not intended to be an exclusive list of the reasons why Landlord may reasonably withhold its consent to a general contractor. Prior to commencing to perform any of the Initial Alterations in the Premises, Tenant shall deliver to Landlord a copy of Tenant's contract with Tenant's general contractor. Tenant shall ensure that all contractors performing the Initial Alterations include Landlord and such other parties as Landlord shall require as additional insureds on the insurance policies maintained by such contractors. Promptly after Landlord approves Tenant's plans for the Initial Alterations, Tenant shall deliver to Landlord an itemized statement of the estimated hard and soft costs of the Initial Alterations.

2. Subject to the terms of the Lease, Landlord shall not be required to disburse the Allowance for the Initial Alterations until the Tenant has provided the following documentation:

EXHIBIT C

after receipt of the following documentation: (i) an application for payment and sworn statement of contractor substantially in the form of AIA Document G-702 covering all work for which disbursement is to be made to a date specified therein; (ii) Contractor's, subcontractor's and material supplier's waivers of liens which shall cover all Initial Alterations for which disbursement is being requested and all other statements and forms required for compliance with the mechanics' lien laws of the state in which the Premises is located, together with all such invoices, contracts, or other supporting data as Landlord or Landlord's Mortgagee may reasonably require; (iii) copies of all construction contracts for the Initial Alterations, together with copies of all change orders, if any; and (iv) a request to disburse from Tenant containing an approval by Tenant of the work done and a good faith estimate of the cost to complete the Initial Alterations. Upon completion of the Initial Alterations, and prior to final disbursement of the Allowance, Tenant shall furnish Landlord with: (1) general contractor and architect's completion affidavits, (2) full and final waivers of lien, (3) receipted bills covering all labor and materials expended and used, (4) as-built plans of the Initial Alterations, and (5) the certification of Tenant and its architect that the Initial Alterations have been installed in a good and workmanlike manner in accordance with the approved plans, and in accordance with applicable laws, codes and ordinances. In no event shall Landlord be required to disburse the Allowance more than one time per month. Notwithstanding anything herein to the contrary, Landlord shall not be obligated to disburse any portion of the Allowance during the continuance of an uncured Material Default under the Lease, and Landlord's obligation to disburse shall only resume when and if such Material Default is cured.

2.02. Notwithstanding to the contrary of the Lease and any other documents, Landlord shall not be required to disburse the Allowance for the Initial Alterations until the Tenant has provided the following documentation:

Notwithstanding anything to the contrary contained in the Lease, neither Tenant, nor its general contractors, subcontractors or consultants shall be charged by Landlord for their use of parking, hoists, freight elevators or access to loading docks in connection with performance of the Initial Alterations.

parties may enter the Building and perform work).

EXHIBIT E

7. Movement in or out of the Building of furniture or office equipment, or dispatch or receipt by Tenant of merchandise or materials requiring the use of elevators, stairways, lobby areas or loading dock areas, shall be performed in compliance with applicable Laws (including by persons holding all necessary licenses) and in a manner and restricted to hours reasonably designated by Landlord. Tenant shall obtain Landlord's prior approval, a reasonable number of days in advance, by providing a detailed listing of the activity, including the names of any contractors, vendors or delivery companies, which approval shall not be unreasonably withheld. Tenant shall assume all risk for damage, injury or loss in connection with the activity.

8. Tenant shall not overload the floors of the Premises beyond their designed weight bearing capacity. Landlord shall have the right to approve the weight, size, or location of heavy equipment or articles in and about the Premises, which approval shall not be unreasonably withheld; provided that approval by Landlord shall not relieve Tenant from liability for any damage in connection with such heavy equipment or articles.

9. Doors from the Premises into corridors, when not in use, shall be kept closed.

Tenant shall comply with all Laws pertaining to and governing the use of these materials by Tenant and shall remain solely liable for the costs of abatement and removal.

13. Tenant shall not use or occupy the Premises in any manner or for any purpose which might injure the reputation or impair the present or future value of the Premises or the Building. Tenant shall not use, or permit any part of the Premises to be used for lodging, sleeping or for any illegal purpose. 14. Tenant shall not take any action which would cause a work stoppage, picketing, labor disruption or dispute, or interfere with Landlord's or any other tenant's or occupant's business or with the rights and privileges of any person lawfully in the Building (? the Labor Disruption, take the actions necessary to resolve the Labor Disruption, and shall have pickets removed and, at the request of Landlord, immediately terminate any work, or the provision of any service, in the Premises that gave rise to the Labor Disruption, until Landlord gives its written consent for the work or service to resume. If Tenant fails to resolve the Labor Disruption within 24 hours after the start of such Labor Disruption, such failure shall be deemed a Default without any further notice required from Landlord and Landlord may, in addition to all other rights and remedies arising from the Default, refuse entry to the Building, including the Premises, by any contractors or others working at the Premises on behalf of Tenant. Tenant shall have no claim for damages against Landlord, any of the Landlord Related Parties or any Mortgagee, nor shall the Commencement Date be extended as a result of the above actions.

18. Landlord may from time to time adopt systems and procedures for the security and safety of the Building and Property, its occupants, entry, use and contents. Tenant, its agents, employees, contractors, guests and invitees shall comply with Landlord's systems and procedures.

19. Neither Tenant nor its agents, employees, contractors, guests or invitees shall smoke or permit smoking in the Building or the Common Areas, unless a portion of the Common Areas have been declared a designated smoking area by Landlord, nor shall the above parties allow smoke from the Premises to emanate into the Common Areas or any other part of the Building. Landlord shall have the right to designate the Building (including the Premises) as a non-smoking building.

20. Landlord shall have the right to designate and approve standard window coverings for the Premises and to establish rules to assure that the Building presents a uniform exterior appearance. Tenant shall ensure, to the extent reasonably practicable, that window coverings are closed on windows in the Premises while they are exposed to the direct rays of the sun.

21. Deliveries to and from the Premises shall be made only at the times, in the areas and through the entrances and exits reasonably designated by Landlord. Tenant shall not make deliveries to or from the Premises in a manner that might interfere with the use by any other tenant of its premises or of the Common Areas, any

pedestrian use, or any use which is inconsistent with good business practice.

22. The work of cleaning personnel shall not be hindered by Tenant after 5:30 p.m., and cleaning work may be done at any time when the offices are vacant. Within 30 days after receipt of Tenant's Initial Renewal Notice, Landlord shall advise Tenant in writing of the applicable Base Rent rate for the Premises for the Renewal Term. Tenant, within 30 days after the date on which Landlord advises Tenant of the Base Rent rate for the Renewal Term, shall either (i) give Landlord final binding written notice (" Binding Notice ") of Tenant's exercise of its Renewal Option, or (ii) if Tenant disagrees with Landlord's determination, provide Landlord with written notice of rejection (the " Rejection Notice "). In addition, Landlord, or its then managing agent, shall have the right to draw down an amount up to the face amount of the Letter of Credit if any of the following shall have occurred or are applicable: (1) such amount is due to Landlord under the terms and conditions of this Lease and remains unpaid after the expiration of any applicable notice and cure period, or (2) Tenant has filed a voluntary petition under the U. S. Bankruptcy Code or any state bankruptcy code (collectively, "Bankruptcy Code"), or (3) an involuntary petition has been filed against Tenant under the Bankruptcy Code, or (4) the long term rating of the Issuing Bank has been downgraded to BBB or lower (by Standard & Poor's) or Baa2 or lower (by Moody's) and Tenant has failed to deliver a new Letter of Credit from a bank with a long term

rating of A or higher (by Standard & Poor's) or A2 or higher (by Moody's) and otherwise meeting the requirements set forth in this Section within ten (10) Business Days following notice from Landlord. The Letter of Credit will be honored by the Issuing Bank regardless of whether Tenant disputes Landlord's right to draw upon the Letter of Credit. Any renewal or replacement of the original or any subsequent Letter of Credit shall meet the requirements for the original Letter of Credit as set forth above, except that such replacement or renewal shall be issued by an FDIC insured financial institution satisfactory to the Landlord at the time of the issuance thereof.

The use, application or retention of the Letter of Credit, or any portion thereof, by Landlord shall not prevent Landlord from exercising any other right or remedy provided by this Lease or by any applicable Law, it being intended that Landlord shall not first be required to proceed against the Letter of Credit, and it shall not operate as a limitation on any recovery to which Landlord may otherwise be entitled. Tenant agrees not to interfere in any way with payment to Landlord of the proceeds of the Letter of Credit. No condition or term of this Lease shall be deemed to render the Letter of Credit conditional to justify the Issuing Bank in failing to honor a drawing upon such Letter of Credit in a timely manner. Tenant agrees and acknowledges that (a) the Letter of Credit constitutes a separate and independent contract between Landlord and the Issuing Bank, (b) Tenant is not a third party beneficiary of such contract, (c) Tenant has no property interest whatsoever in the Letter of Credit or the proceeds thereof, and (d) in the event Tenant becomes a debtor under any chapter of the Bankruptcy Code, neither Tenant, any trustee, nor Tenant's bankruptcy estate shall have any right to restrict or limit Landlord's claim and/or rights to the Letter of Credit and/or the proceeds thereof by application of Section 502(b)(6) of the U. S. Bankruptcy Code or otherwise.

Notwithstanding any provision of this Lease to the contrary, provided that a Material Default does not exist under any of the terms and conditions of this Lease and no more than 3 Monetary Defaults have occurred during the Term prior to the applicable Reduction Date, the balance of the Letter of Credit shall be reduced to (i) \$650,000.00 on the third (3rd) anniversary of the Commencement Date, (ii) \$500,000.00 on the fourth (4th) anniversary of the Commencement Date, and (iii) \$350,000.00 on the fifth (5th) anniversary of the Commencement Date (each a "Reduction Date"). On or before each Reduction Date, Tenant shall send Landlord a notice requesting Landlord to reduce the Security Deposit. Provided the conditions set forth above are satisfied, Landlord shall consent in writing to, and, at no cost to Landlord (A) accept from the

Landlord listing the Premises as available for lease with a broker or agent similar to the other vacant spaces in the Building shall constitute a presumption that Landlord has exercised reasonable efforts to advertise and relet the Premises, and Landlord shall not be required to make special efforts to relet the Premises beyond the normal and reasonable efforts made to lease other vacant spaces within the Building.

SUBORDINATION, NON-DISTURBANCE

AND ATTO

This Subordination, Non-Disturbance and Attornment Agreement (" Agreement "), is made as of this day of January 2, 2018 among Wells Fargo Bank National Association, not individually, but solely as Trustee for the Morgan Stanley Capital I Inc., Commercial Mortgage Pass-Through Certificates Series 2011-C1, under that certain Pooling and Servicing Agreement dated as of February 1, 2011 (? Lender ?), by and through Berkadia Commercial Mortgage LLC, a Delaware limited liability company, its Sub Servicer on behalf of KeyBank National Association, Inc., pursuant to the Sub Servicing Agreement dated as of March 30, 2012, January 18, 2013 (? Amended and Restated Sub Servicing Agreement ?), June 24, 2013 (? First Amendment to Amended and Restated Sub Servicing Agreement ?) January 06, 2014 (? Second Amendment to Amended and Restated Sub Servicing Agreement ?), April 03, 2015 (? Amendment No. 3 to Amended and Restated Sub Servicing Agreement ?) and October 13, 2015 (? Amendment No. 4 to Amended and Restated Sub Servicing Agreement ?) EQC Capitol Tower Property LLC, a Delaware limited liability company (" Landlord "), and Crowdstrike Inc., a Delaware corporation (" Tenant ").

Background

A. Lender is the owner and holder of a deed of trust or mortgage or other similar security instrument (either, the ? Security Instrument ?), covering, among other things, the real property commonly known and described as Capitol Tower Investors and further described on Exhibit ?A? attached hereto and made a part hereof for all purposes, and the building and improvements thereon (collectively, the ? Property ?).

B. Tenant is the lessee under that certain lease agreement between Landlord and Tenant dated _____ (" Lease "), demising a portion of the Property described more particularly in the Lease (" Leased Space ").

C. Landlord, Tenant and Lender desire to enter into the following agreements with respect to the priority of the Lease and Security Instrument.

NOW, THEREFORE, in consideration of the mutual promises of this Agreement, and intending to be legally bound hereby, the parties hereto agree as follows:

1. Subordination . Tenant agrees that the Lease, and all estates, options and rights created under the Lease, hereby are subordinated and made subject to the lien and priority of the Security Instrument.
2. Nondisturbance . Lender agrees that no foreclosure (whether judicial or nonjudicial), deed-in-lieu of foreclosure, or other sale of the Property in connection with enforcement of the Security Instrument or otherwise in satisfaction of the underlying loan shall operate to terminate the Lease or Tenant's rights thereunder to possess and use the Leased Space provided, however, that (a) the term of the Lease has commenced, (b) Tenant is in possession of the Leased Space, and (c) the Lease is in full force and effect and no uncured default exists under the Lease, beyond any applicable notice and cure periods.
3. Attornment . Tenant agrees to attorn to and recognize as its landlord under the Lease each party acquiring legal title to the Property by foreclosure (whether judicial or nonjudicial) of the Security Instrument, deed-in-lieu of foreclosure, or other sale in connection with enforcement of the Security Instrument or otherwise in satisfaction of the underlying loan (" Successor Owner "). Provided that the conditions set forth in Section 2 above are met at the time Successor Owner becomes owner of the Property, Successor Owner shall perform all obligations of the landlord under the Lease arising from and after the date title to the Property was transferred to Successor Owner. In no event, however, will any Successor Owner be: (a) liable for any default, act or omission of any prior landlord under the Lease (except that Successor Owner shall not be relieved from the obligation to cure any defaults which are non-monetary and continuing in nature, and such that Successor Owner's failure to cure would constitute a continuing default under the Lease; for the avoidance of doubt, defaults which are non-monetary include repair and

2

maintenance defaults even though curing such defaults may require the expenditure of money); (b) subject to any offset or defense which Tenant may have against any prior landlord under the Lease; (c) bound by any payment of rent or additional rent made by Tenant to Landlord more than 30 days in advance; (d) bound by any modification or supplement to the Lease, or waiver of Lease terms, which revise Tenant's or Landlord's monetary obligations under the Lease, modifies the term of the Lease, the parties' termination rights or the description of the Leased Space, made without Lender's written consent thereto; (e) liable for the return of any security deposit or other prepaid charge paid by Tenant under the Lease, except to the extent such amounts were actually received by Lender; (f) liable or bound by any right of first refusal or option to purchase all or any portion of the Property; or (g) liable for construction, completion or payment to Tenant for any improvements to the Property or as required under the Lease for Tenant's use and occupancy (whenever arising); provided, however, this clause (g) shall in no way modify, limit or impair any obligation of Successor Owner to perform maintenance and repair obligations to existing improvements and provided further, that if Successor Owner fails to perform any such maintenance and repair obligations, then Tenant shall have all rights and remedies available to it in the Lease, at law, and in equity. Although the foregoing provisions of this Agreement are self-operative, Tenant agrees to execute and deliver to Lender or any Successor Owner such further instruments as Lender or a Successor Owner may from time to time request in order to confirm this Agreement. If any liability of Successor Owner does arise pursuant to this Agreement, such liability shall be limited to Successor Owner's interest in the Property.

4. Rent Payments; Notice to Tenant Regarding Rent Payments . Tenant agrees not to pay rent more than one (1) month in advance unless otherwise specified in the Lease. After notice is given to Tenant by Lender that Landlord is in default under the Security Instrument and that the rentals under the Lease should be paid to Lender pursuant to the assignment of leases and rents granted by Landlord to Lender in connection therewith, Tenant shall

thereafter pay to Lender all rent and all other amounts due or to become due to Landlord under the Lease, and Landlord hereby expressly authorizes Tenant to make such payments to Lender upon reliance on Lender's written notice (without any inquiry into the factual basis for such notice or any prior notice to or consent from Landlord) and hereby releases Tenant from all liability to Landlord in connection with Tenant's compliance with Lender's written instructions.

5. Lender Opportunity to Cure Landlord Defaults . Tenant agrees that, until the Security Instrument is satisfied of record by Lender, it will not exercise any remedies under the Lease following a Landlord default without having first given to Lender (a) written notice of the alleged Landlord default and (b) the opportunity to cure such default within the time periods provided for cure by Landlord, measured from the time notice is received by Lender. Tenant acknowledges that Lender is not obligated to cure any Landlord default, but if Lender elects to do so, Tenant agrees to accept cure by Lender as that of Landlord under the Lease and will not exercise any right or remedy under the Lease for a Landlord default. Performance rendered by Lender on Landlord's behalf is without prejudice to Lender's rights against Landlord under the Security Instrument or any other documents executed by Landlord in favor of Lender in connection therewith.

6. Miscellaneous .

(a) Notices . All notices under this Agreement will be effective only if made in writing and addressed to the address for a party provided below such party's signature. A new notice address may be established from time to time by written notice given in accordance with this Section. All notices will be deemed received only upon actual receipt. Notice to outside counsel or parties other than the named Tenant, Lender and Landlord, now or hereafter designated by a party as entitled to notice, are for convenience only and are not required for notice to a party to be effective in accordance with this section.

(b) Entire Agreement; Modification . This Agreement is the entire agreement between the parties relating to the subordination and nondisturbance of the Lease, and supersedes and replaces all prior discussions, representations and agreements (oral and written) with respect to the subordination and nondisturbance of the Lease. This Agreement controls any conflict between the terms of this Agreement and the Lease. This Agreement may not be modified, supplemented or terminated, nor any provision hereof waived, unless by written agreement of Lender and Tenant, and then only to the extent expressly set forth in such writing.

(c) Binding Effect . This Agreement binds and inures to the benefit of each party hereto and their respective heirs, executors, legal representatives, successors and assigns, whether by voluntary action of the parties or by operation of law. If the Security Instrument is a deed of trust, this Agreement is entered into by the trustee of the Security Instrument solely in its capacity as trustee and not individually.

3

(d) Unenforceability . Any provision of this Agreement which is determined by a government body or court of competent jurisdiction to be invalid, unenforceable or illegal shall be ineffective only to the extent of such holding and shall not affect the validity, enforceability or legality of any other provision, nor shall such determination apply in any circumstance or to any party not controlled by such determination.

(e) Construction of Certain Terms . Defined terms used in this Agreement may be used interchangeably in singular or plural form, and pronouns cover all genders. Unless otherwise provided herein, all days from performance shall be calendar days, and a " business day " is any day other than Saturday, Sunday and days on which Lender is closed for legal holidays, by government order or weather emergency.

(f) Governing Law . This Agreement shall be governed by the laws of the State in which the Property is located

(without giving effect to its rules governing conflicts of laws).

(g) WAIVER OF JURY TRIAL . TENANT, AS AN INDUCEMENT FOR LENDER TO PROVIDE THIS AGREEMENT AND THE ACCOMMODATIONS TO TENANT OFFERED HEREBY, HEREBY WAIVES ITS RIGHT, TO THE FULL EXTENT PERMITTED BY LAW, AND AGREES NOT TO ELECT, A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS AGREEMENT.

(h) Counterparts . This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together constitute a fully executed agreement even though all signatures do not appear on the same document.
